

This month's product promotions, company news and more.

Welcome Back!

Welcome to the June edition of "In The Know With Ohio Valley Drywall Supply." We're glad to connect with you again!

June Promo

OHIO VALLEY DRYWALL SUPPLY
DEAL OF THE MONTH!

Guardian Fall Protection Safety Kits

#GFP20204 (S - L)	\$69.99
#GFP20205 (XL - XXL)	\$73.99

The advertisement features a silver mannequin wearing a yellow and black safety harness. A black storage bag with yellow accents and the 'Guardian' logo is shown in the foreground. The Ohio Valley Drywall Supply logo is in the bottom right corner of the ad.

Ohio Valley Drywall Supply is offering this Guardian Fall Protection safety kit for purchase at a special price! This OSHA-compliant kit includes a velocity harness, internal shock lanyard and storage bag for only \$69.99 (S-L) or \$73.99 (XL-XXL).

Features of this safety kit include:

- An upgraded back placard (to prevent D-ring slippage)
- Five adjustment points
- Red core wear-indicating webbing
- Dual breakaway lanyard keepers
- A PT chest with TB legs for easy adjustment
- Grab and go packaging

The kit features the best entry-level velocity harness you can buy, and like all of Guardian's products, is backed by a lifetime warranty against defects in workmanship and materials. This is a limited time deal and is only available while supplies last. Get yours today!

Installed Insulation

Don't forget that Ohio Valley Drywall Supply also offers installed insulation, shelving and mirrors. We specialize in **multi-family, hotels, and single family construction** - including complete take off and estimation.

Contact Kevin Crupe at kcrupe@ovdrywall.com or (304) 215-7073 to get started.

Product Spotlight: Floor Covering

As a contractor, you know how important it is to protect your floors. Whether it's another trade dragging a ladder across the floor, a dent from a tool, or marks from rolling drywall carts, your floors need protection at every jobsite.

At Ohio Valley Supply, we have quick access to a number of different brands and types. These include:

- Light and heavy traffic protection
- Forklift traffic protection
- Breathable products, which allow floors to cure while also staying dry

We stock Ram Board and red rosin paper but can easily get you Corex, carpet protection, Masonite (aka hardboard) or even sticky mats.

More Information

Project Spotlight: Concordia at Rebecca Residence

Concordia at Rebecca Residence in Allison Park, PA offers long-term nursing care, short-term rehabilitation, and personal care services. It is a CARF-CCAC accredited Continuing Care Retirement Community located 30 minutes outside of Pittsburgh.

This project was a load-bearing cold-formed steel project with materials delivered by Ohio Valley Drywall Supply. We provided metal studs from Clark Dietrich, drywall from National Gypsum, and ceilings from CertainTeed Ceilings.

General Contractor: Martik Brothers, Inc.

Subcontractor: R. Hill Construction

Brand Spotlight: The Steel Network

Ohio Valley Drywall Supply is proud to source products from The Steel Network. TSN is based in Durham, NC and is a leading supplier of cold-formed steel framing (CFS). CFS offers a number of benefits over traditional framing including lower costs, increased ROI and better durability.

[Click here to download the "Design-Build-Save" brochure detailing the benefits of CFS.](#)

Products available from TSN include:

- Connectors (wall, floor, roof, truss, drift, multipurpose, etc.)
- Bridging products
- Drift tracks
- Load bearing members
- Curtain wall members
- Rigid foam insulation framing accessories
- Drywall framing accessories
- Specialty products
